

Errol Samuelson

Chief Industry Development Officer

Zillow Group

Errol is the chief industry development officer for Zillow Group and is responsible for industry relations strategy and Zillow's software tools for agents and brokers, including dotloop, a transaction management system used in more than half of all U.S. residential real estate transactions. Errol is also responsible for Zillow's New Construction and Media businesses, and Zillow Canada. He joined Zillow in 2014.

Errol has more than 20 years of experience in technology and the real estate industry. He has been named one of Inman News' 100 Most Influential Real Estate Leaders in the U.S. and a top technology executive on the Swanepoel Power 200.

Previously, Errol held the roles of chief strategy officer and chief revenue officer at Move, Inc. While at Move, he was also president of Realtor.com from 2007 to 2014.

Errol graduated with honors from Simon Fraser University with a bachelor's degree in applied science (electronics engineering).
