

Simon Moir

Vice President, Banking Compliance Solutions,
Wolters Kluwer Compliance Solutions

Simon Moir is Vice President, Banking Compliance Solutions, Wolter Kluwer Compliance Solutions. He is responsible for overseeing the growth and development of the segment's banking compliance product portfolio and its open digital lending platform and expert solutions ecosystem. Simon joined

Wolters Kluwer following its acquisition of eOriginal, the leading platform for creating, managing, and monetizing trusted digital loans, in December 2020.

At eOriginal Simon held a variety of leadership roles. His most recent position was as Chief Product Officer responsible for the company's product vision, strategy, design and delivery across all financial industries, including mortgage, auto finance, marketplace lending, equipment leasing, and banking.

Simon has more than 20 years of experience delivering innovative, highly scalable, solutions to the banking and financial services industry. Prior to eOriginal, he was Senior Vice President of Business Development at Savana and Senior Director of Mortgage Technology at CoreLogic.

Originally from New Zealand, Simon holds a Bachelor of Science in Chemistry from the University of Canterbury.
