

Tom Wilkins

Managing Director, Executive Roundtable for Mortgage Finance and
Co-Founder & former CEO, Mortgage Media

Tom Wilkins heads the Executive Roundtable/Thought Leaders' Forum for Mortgage Finance which he co-created in 2006. Its mission is to convene meetings of the industry's stakeholders to explore ways to significantly improve the effectiveness of the industry's processes, and the aggregation of processes, technology, and controls that underpin the origination and servicing of mortgages. The Roundtable is held in April and October in locations on both coasts fitting with the themes of the gathering.

In addition, Tom is co-founder and former CEO of Mortgage Media, (www.mortgagemedia.com) an online mortgage industry journal, committed to creating, producing and sharing its intellectual capital, through video interviews, with mortgage and real estate professionals and everyday consumers of mortgage products and services.

As a member of the executive team, Tom was responsible for making Dorado, a pioneer in cloud-based applications for mortgage bankers, the market leader in demand chain solutions for the mortgage industry. He held several leadership positions over a 13-year period leading to Dorado's acquisition by CoreLogic. At CoreLogic, Tom was Head of Business Operations for the Mortgage Technology Group.

Tom is a results-driven, hands-on professional with more than 30 years of leadership experience, and a history of achievement contributing to leading growth in companies, with skills in operations, strategic alliances, team building and performance improvement methodologies. Additionally, he brings a unique perspective to any organization with an international career experience spanning more than 13 years living/working in Asia, the Middle East and Europe.

Mr. Wilkins holds an M.S. degree from San Jose State University, and a B.A. degree from California State University, Chico.
