

Donna Schmidt
Managing Director
DLS Servicing

Donna Schmidt is the managing director and founder of DLS Servicing, a trusted provider of default servicing consulting services, training, and technology for mortgage servicers.

A seasoned professional with four decades of leadership experience in the mortgage industry, she is a sought-after authority on loss mitigation compliance. Donna is also the co-founder of WaterfallCalc, an online loss mitigation decision and calculation tool that enables servicers to streamline loss mitigation calculations while ensuring investor and regulatory compliance.

She can be reached at DSchmidt@DLS-Servicing.com.
