

## Gregory A. Keith

Gregory A. Keith joined Ginnie Mae as Senior Vice President and Chief Risk Officer in October 2010, and in March 2026 began serving as Executive Vice President and Chief Operating Officer. In this capacity, is responsible for managing Ginnie Mae's daily operations, including all mortgage-backed security operations, counterparty risk management, contracting, budget and legislative initiatives, and overall risk management of the organization through eight program offices, including the Office of the President.

Mr. Keith has more than 35 years of experience in the financial services industry. Much of his experience has been in mortgage and asset backed finance. Prior to joining Ginnie Mae, Mr. Keith spent nine years in various roles at Fannie Mae. These roles span across multiple disciplines including strategy, risk and finance. Most recently, he served as Director of Counterparty Risk Management, where he structured, monitored, and mitigated financial and operational risk with business partners.

In 2001, Mr. Keith came to Fannie Mae from First Union Capital Markets, where he was Vice President of Business Integration. There, he managed the implementation of business strategies and tactical business requirements for the Structured Products Group of the Corporate and Investment Bank.

Previously, Mr. Keith also served as a Manager at KPMG Consulting, focusing on the execution of strategic, financial, and operational engagements. Prior to joining KPMG, Mr. Keith worked as a Forecasting and Planning Analyst at the American Residential Mortgage Corporation and as a Financial Analyst at Great American Bank.

Mr. Keith holds a Bachelor of Arts from San Diego State University.
