

Allison Arest

Allison Arest is EVP, Mortgage Lending, for Carrington Mortgage Services (CMS), and is responsible for overseeing all aspects of the CMS Mortgage Lending organization. Allison joined CMS in early 2025 as SVP, Business Transformation. Since that time, Allison has led major initiatives to expand outreach across the CMS Lending platform, refine marketing and digital strategy and enhance the customer journey through technology-driven solutions.

Before joining Carrington, Allison was a founding executive and Head of Institutional Coverage at Avenue One, where she built and scaled the firm's institutional platform and guided its evolution into a market leader in the single-family rental sector. Earlier in her career, she held senior trading and leadership positions at Good Hill Partners and Perry Capital, and began her career at Bear Stearns in fixed income sales.

Allison earned her degree magna.cum.laude in Economics and Business from Lafayette College in Easton, PA, with a minor in Fine Arts. She was elected to Phi Beta Kappa and inducted into Omicron Delta Epsilon, the international honor society for economics. She completed the KPMG Board Readiness Program and has served on the Scarsdale Public Library's Capital Campaign Committee.
