

Bill Bymel

Founder, First Lien Capital & First Lien Resolutions

Bill Bymel is a veteran real estate investor and CEO/CIO of First Lien Capital, a privately owned investment platform, specializing in distressed debt and mortgage workout strategies on residential and commercial real estate. Through First Lien Resolutions, FLC's third-party advisory and special servicing firm, he provides Special Assets expertise to banks and funds on portfolio risk, recovery strategies, and profitable arbitrage.

Bill is the author of *The Storm: Markets Meet Mother Nature* (2026) revealing how converging forces are reshaping markets and offering the framework for investors and institutions to navigate what comes next and hosts the Debt Doctor podcast on real estate and debt cycles.
