Devin Norales

Devin Norales is the head of the Mortgage and Capital Markets team in FICO's Scores division. He has extensive knowledge in the mortgage space, specifically Secondary and Capital Markets. His team works with all segments within the mortgage ecosystem to help drive the adoption of all FICO's products, including FICO's latest score, 10T.

Before joining FICO, Devin led a capital markets team for a mid-size lender focusing on trading, hedging interest rate risk and loan execution. While at Premier Lending Devin helped foster relationships with Fannie & Freddie while also building out a sizeable servicing portfolio. Prior to making the move to Premier, he helped lead a risk management system migration for Cardinal Financial's 2-billion-dollar pipeline, in addition to leading their asset sales team.

He started his career at Movement Mortgage working with their finance team before transitioning to a secondary role that included managing their lock desk and eventually trading / hedging their pipeline while they experienced significant growth. Devin holds a B.S.B.A. in Finance from the University of North Carolina Charlotte.
